Notes

Those who participated in the CHIP will receive a survey so we can start building on the action plan.

- Had all attendees state their names and what organization
- Cathy handed meeting over to Laura to talk about the CHIP and next steps
- Laura reviewed the CHNA process and how we got here so far
- Releasing survey to understand how the org plan to fulfill the area of the CHIP
- Looking at goals and needs and seeing how in the county multiple organizations are working to meet the needs.
- Laura had meeting with Valley bank about their role in the community health area, more to follow
- We want to know if what we are doing is making a difference or not.
- Kathy Skrobala had some changes for Laura to make on the plan. Laura will fix
- Julia- can we combine metrics from last assessment. Ans: we are adding this to our progress tracker. Its cumulative.
- David: <https://www.tapinto.net/towns/paterson/sections/government/articles/paterson-s-guaranteed-income-program-proving-to-be-a-blessing-one-recipient-says#:~:text=The%20initiative%20was%20started%20thanks,officially%20begin%20the%20pilot%20program>
- The action plan and the interventions are going to always be fluid, the assessment process will stay the same
- The question of should the routine public health departments processes (blood pressures, flu shots, etc)be included on the interventions section
- Covid information will be added by Daniel on the survey in order for that data to be added by health departments
- Lincoln Park should be on Morris County Chip
- All health departments as part of collaboratives will be listed
- List 1 county per survey for the survey
- Document will be shared and sent to everyone along with the survey

- Laura asking if anyone with connections to St. Joseph to have them join the collaborative
- Willing to open assessment with sites that are interested in completing the CHIP
